

# Tributary at New Manchester Trail Map

## The Village

### SAFETY TIPS & ETIQUETTE

- ◊ Tell someone your itinerary and expected return.
- ◊ Take a map, water and snacks to enjoy. Also bring a first aid kit, flashlight and a whistle. Three short blasts on the whistle are known as a call for help.
- ◊ If you become lost, stay in one location and wait for help. This will make it easier for rescuers to find you.
- ◊ Don't count on cell phones to work while hiking the trails. But if they do, be able to give details about your location.
- ◊ Do not stray from trails. The Brown Trail is on an easement located on private property, while north of Nickson Creek is private property. **DO NOT TRESPASS ON PRIVATE PROPERTY. VIOLATORS WILL BE SUBJECT TO ARREST AND PROSECUTION.**
- ◊ Pack out all trash.
- ◊ Keep pets on a leash at all times and clean up after them.
